

COVID-19 Secure Measures for Clients

Kingston Women's Centre are delighted to be opening their doors again to in-person sessions.

MEASURES IN PLACE

To minimise the risk of COVID-19 transmission we have put in place some measures that include:

- counsellors and staff returning to work at KWC are double vaccinated,
- there are hand sanitisers around the building,
- our windows will be open for ventilation,
- chairs will be distanced 1+metre apart
- if able to do so, masks to be worn in communal areas.

WHAT WE ARE ASKING OF OUR CLIENTS

To safeguard all our service users, counsellors and staff, KWC are asking that all our clients who request to return, or start, in-person sessions are:

- double vaccinated.
- are able to follow our COVID secure measures detailed below.

If you are not double vaccinated you will be offered secure sessions online via Zoom.

COVID SECURE MEASURES TO FOLLOW IF COMING TO THE CENTRE:

If you are double vaccinated and would like to have in-person sessions KWC ask you that you support the following COVID-19 secure measures:

1. That you agree not come to the centre if you:
 - i. have a positive COVID-19 test
 - ii. develop any COVID-19 symptoms
 - iii. if you have been asked to self isolate.

If you need to cancel a session because of the points above, you will not be charged for these missed sessions.

2. When you arrive at the centre, the door is likely to be locked, I will let you in 5 mins before our session as I will be readying the room for your arrival.
3. When entering the building, if you are able to do so, please wear a face covering and wash or sanitise your hands.
4. When moving around the centre, please continue to wear a face covering and keep 1+ metre from myself and others in the building.
5. Our downstairs and upstairs toilets will be open.
6. You won't need to wear a mask in the room with me if you choose not to.
7. You may want to bring an extra layer with you as the window will be opened a little to keep fresh air coming in.
8. The chairs will be 1+metres apart and there will be hand sanitiser in the room.
9. You may want to bring some water with you.
10. When our session ends you will need to exit the centre via the fire exit door.
